Keynote Speakers

KATHY POELKER

KATHY POELKER of Look At Me Productions, Inc. received her degree in Music Education from Northwestern University School of Music. Ms. Poelker is internationally recognized for her work in Early Childhood Music Education. She is an outstanding communicator, university lecturer, keynote speaker, motivator, author, consultant, children's recording artist, and composer/author of over 150 songs and 30 books in three languages. Kathy's critically acclaimed songs, recordings, and books in English, Spanish, and Hmong are used in hundreds of classrooms across the United States, Canada, Puerto Rico, the Virgin Islands, New Zealand and Australia. Hundreds of thousands of young children, early childhood teachers, and families have enjoyed singing and participating in Kathy's songs and engaging musical activities for over 25 years. Kathy reaches the heart and mind of all, young and old alike.

Keynote Speakers

STEPHEN J. BAGNATO, Ed.D.

STEPHEN J. BAGNATO, Ed.D., NCSP is a Developmental School Psychologist and Professor of Psychology and Pediatrics at the University of Pittsburgh, Schools of Education and Pediatric Medicine. He is director of the division for Early Childhood Partnerships and affiliated with Children's Hospital of Pittsburgh as a core faculty member in leadership education for neurodevelopmental disabilities. Dr. Bagnato specializes in authentic curriculum-based assessment and program evaluation for infants, toddlers and preschoolers with disabilities and families. He is in demand internationally to provide consultation on early childhood intervention "best practice", challenging and atypical behaviors, authentic assessment in early childhood and authentic program outcomes evaluation.
