

PARTNERS IN CARE SUMMIT 2016

OVER 100 PARTICIPANTS JOINED TOGETHER IN PRATTVILLE, AL

Coordination for Behavioral Health Services

- ALL Kids covers services provided by Community Mental Health Centers (CMHC's) that are not routinely covered by private plans.
- The services include In-Home Intervention, Mental Illness Basic Living Skills, Individual/Group, Case Management, Intensive Day treatment and Partial Hospitalization.
- ALL Kids is in the process of initiating a pilot program for telepsychiatry for follow up visits through the CMHC's. This pilot initiative will be evaluated for reducing service barriers that exists for some patients in rural areas.

**ALL ENJOYED THE OPPORTUNITY TO STRENGTHEN PARTNERSHIPS
BETWEEN FAMILIES AND PROFESSIONALS LEADING TO BETTER OUTCOMES
